

The Tooth Fairy

Fairy Tales was a movie, real fairy's don't exist, think about it if they did.

They would get trapped in our bug zapper or get squash with our feet in the grass.

If you can't see them or feel them, then they don't exist, that's why the only fairy I believe in is the Tooth Fairy because she leaves me cold hard cash.

Chinggg Chinggg. Now that's something you can feel!
