

Female – Kaitlin and Mom

Kaitlin: Mom, can I bring Lucy, our class bunny rabbit, home for the weekend?

Mom: Kaitlin, when it comes to responsibility, you don't have a great track record.

Remember when you promised to start flossing regularly?

Kaitlin: I floss my teeth!

Mom: Kaitlin, the sewers are overflowing with all the fish you forgot to feed. I don't think we flush a bunny.

Kaitlin: That won't happen this time. I promise. Please, please, please?

Mom: Wow! Three "pleases", the puppy dog eyes, and a head tilt? I don't stand a chance, do I?

Kaitlin: Nope. Give in or I'll close with a lip quiver and a single tear.
