

*Male – Two friends meet at the park*

**Jacob: (Carrying two smoothies) Hey, Chloe. How about a sweet smoothie from your smooth sweetie?**

Chloe: You're not my sweetie, Jacob. Just because I said I'd meet you in the park doesn't mean we're a couple.

**Jacob: I think you're reading too much into this simple gesture.**

Chloe: Jacob, you gotta stop turning every time we hang out into a romantic date. It's disturbing.

**Jacob: I know, right? Who would go there?! That would be a stupid place to go.**

Chloe: Don't take it personally. I'm just not looking for a guy right now. (Sees a really cute guy.) Whoa! Look at THAT guy!

**Jacob: Oh, brother!**
