

## **Toon Time**

*(Comedy)*

*Kenny wonders what life would be like if he could be a cartoon character.*

Kenny: Most of the time I wish I were a cartoon.

Life would be so much easier, don't you think?

You would never get hurt, even if a safe fell on your head.

You'd be flat for a little while, but then you'd pop right back up

to three-dimensional status. Maybe you'd have birds flying around your head for a minute,

but they'd eventually go away and you'd feel fine. Better than ever. (Beat)

Hello? What I want to be? That's a good question.

Well, I wouldn't mind being Spiderman because he can walk on the ceiling

and that would be cool. I like Yosemite Sam. He's kind of funky, ya know?

A tough little dude. And he has guns and stuff. But nobody ever gets hurt when he shoots them.

See, there's the beauty of being a toon. No one ever really gets hurt. (Pause)

The roadrunner. Now he is the coolest of the cool. The smartest toon there is.

He always escapes the coyote; he always does, and he always will.

And he always seems so...I don't know...so pleasant I guess.

He never seems bothered by the fact that coyote is constantly trying to kill him.

Yeah I definitely want to be the roadrunner. He's smart and fast.

And no one can mess with him. I sure would like if my life could be like that.
