

Kate is trying everything she can to get her best friends back together.

Jen: Kate, I just got done talking to Ryan.

Kate: And I just talked to Ashleigh. But I don't care what they say. I still believe they belong together.

Jen: Let this go, Kaye. Ashleigh is committed to marrying Dean, and Ryan said he's ready to move on with his life, so there's nothing you can do.

Kate: Don't be so sure.

Jen: What are you talking about?

Kate: What if I said I could prove that their breakup was totally manipulated? That Ryan was brainwashed into thinking he had lost Ashleigh to his best friend?

Jen: Then I'd say you've been watching too much daytime TV. This is real life, not some soap opera. You're going to have to accept the fact that some relationships just don't work out.

Kate: I wish everyone would stop saying that. I don't have to accept anything. Ryan and Ashleigh are my best friends, and I'm going to prove to them that they're meant to be together.
