

DISNEYLAND

Do I seem goofy to you?

There's a reason for that— I just got back from the happiest place on earth!

I got treated like a princess at Cinderella's castle, by Cinderella!

Then I danced to some very cool rock-n-roll music at about a million miles an hour through the milky-way, on Space Mountain!

I guess you can say I'm having a real California adventure!

Maybe we'll see Nemo in the big yellow submarine.

GOTTA GO!

Where? Disneyland Of course!

Captain Jack Sparrow is waiting for me in the Caribbean!
