

DON'T EVEN

Kate, comic

What was that? Hello? Anyone there? Listen, if you think you're funny, you're mistaken. I've got a really big dog here who's very hungry so I wouldn't suggest coming in. And there are lots of adults here now. You might *think* I'm baby-sitting, but I'm not!

Don't even try to kill me. My dad, the chief of police and former assassin for the U.S. Government is in the next room! He's just taking a little nap. I'm going to wake him up now...

Listen, I'm not even scared of you, so terrorizing me will bring you no pleasure. I'm not even going to run. I'm just going to sit here, watching TV. And don't even try to call; I've seen that movie and I know your game. If I don't answer the phone, you can't breathe heavily into it, and I can't trace the call and find out the call is coming from IN THE HOUSE, so don't bother. It's impossible to freak me out. If you want to tear out my guts, just politely say so and we'll discuss an option. OK?

Hello?
